

ASK BVKS

Ask a question to His Holiness Bhakti Vikasa Swami using the form below and he will try to answer it, as his schedule permits, in the **ASK BVKS** section.

Kindly note the below points before placing your queries:

- 1) Queries are not directly sent to Maharaja. They are first filtered by his disciples.
- 2) Queries regarding grhastha ashram, marriage etc. should be directed to senior grhastha devotees.
- 3) If the query falls into the category of FAQ then the questioner might be directed to the **previously answered queries**.
- 4) Maharaja has addressed and dealt with many topics, issues and questions in many of his **lectures** and **books**. In such cases the questioner might be recommended to hear a recording of an existing lecture addressing the issue or read relevant sections of his books.
- 5) Questioners are requested to be patient while Maharaja finds some time out of his schedule to answer their queries. Please also note that it takes time to edit and publish the audio recordings of replies to the queries.
